A slash of Blue-, open call painting exhibition, 3rd March - 8th April 2023

Gerald Moore Gallery is a centre for modern and contemporary art with learning at its heart. Opened in April 2012, in Mottingham, the gallery is uniquely set within the grounds of Eltham College and is a valuable resource for the students and the local community. The gallery has gained momentum hosting some exciting exhibitions including works by Matisse, Louise Bourgeois and Cornelia Parker, whilst supporting emerging local artists. In unison with the exhibitions, the gallery's outreach programme works with local community groups, teachers and schools, creating lasting relationships with our locality. Gerald Moore Gallery was made possible with the foresight and generosity of Old Elthamian, Dr Gerald Moore, many of whose works are archived at the gallery and who has a permanent exhibition on display.
